

SUMMER ON MISSION

THE MISSION: Encouraging a Kenyan congregation

THE VISION: Reflooring the sanctuary

THE GOAL: \$3,000

Pastor William Omallo is one leader on the team of leaders with Global Advance that I am working with in Kenya to challenge and equip the Church in Kenya to reach the Unreached People Groups in Kenya. In casual conversation, I discovered his church has been doing a fundraiser to install a completely new concrete and tile floor to replace the original floor that was intended to be temporary. They are about \$3000 short to do this... I have already sent (by faith) \$1000 to make sure the work does not stop.

Removing old flooring

Before

After

Going, going... gone!
